

The background is a solid red color. Overlaid on this are several white lines. A single horizontal line crosses the page. Two parallel diagonal lines, sloping from the bottom-left towards the top-right, intersect the horizontal line. Another set of two parallel diagonal lines, also sloping from the bottom-left towards the top-right but at a steeper angle, intersects the first set of diagonal lines and the horizontal line. The year '1956' is printed in a white, stylized font in the upper right area, positioned between the horizontal line and the top-most diagonal line.

Superintendent's Message

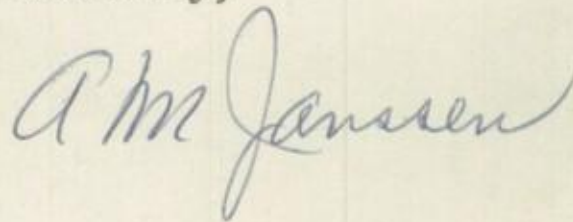

Dear Students,

Shortly another class will graduate from O.H.S.--the 45th to be so honored. In reviewing the list of graduates of the last 45 years, I note O.H.S. has the distinction of having many alumni who have continued their outstanding work in this and other communities.

Whether you rank first, or last, in your class, set your goal in life high. Failure is the path of least persistence--let not one fail because of not trying.

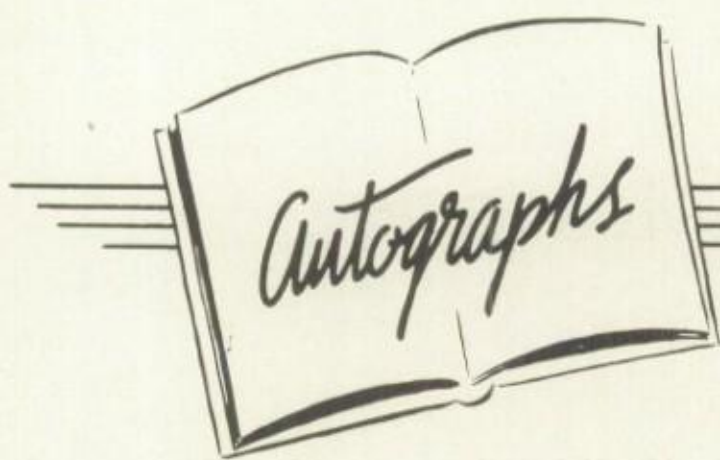

Thanks to the editor and annual staff for bringing us this fine edition to help us remember our stay at O.H.S.

Sincerely,

A handwritten signature in cursive script, reading "A M Janssen".

Senior Will

We, the Class of 1956, of the city of Okanogan, county of Okanogan, and the state of Washington, being of sound mind and memory, do hereby make, publish, and declare this to be our last will and testament, hereby revoking any will or wills hereto fore made by us.

I, Jay Bryant, will the parties I've had this year to anyone who can have as much fun as I have.

We, Jim Roser, Norman Erken, David Gould, Mike Campbell and Tom Baker, will our French abilities to Tom Monroe.

I, Margaret DeFeyter, will all my speech notes to anyone who takes it, so they won't get writer's cramps.

I, Sally Anderson, will my dark hair to Estella Sheldon.

I, Louise Sautell, will to my sister Nancy, and friend, Sonya Lucky my ability to stay out of trouble for a week.

I, David Flanigan, will all my good times at noon hour to anyone who is fool enough to try it.

I, Burl White, will my ability to light the Omak fire to anyone who is game enough to try.

I, Ronald Statler, will my ability to have every cop in Okanogan County after me to Jay LaMonte.

I, Roberta Jones, will my twelve long years, at one school, to anyone who's fool enough to stay that long.

I, Larry Voyles, will my ability to go hunting ducks with Mr. Fanning to Larry DeVon.

I, Patty Barnes, will all my plaid shirts to Dwayne Copple, and my membership in the Hawaiiin fraternity, willed to me by Don Hermanson to Fred Walters.

I, Elaine Whitley, will my ability to go steady with one boy for three years to Myrna Morris.

I, Lucille Andrews, will my fourteen children to Ruby Denton to see if she can handle them.

I, Ray Gilman, will my nickname to Tom Monroe and Rich Wagner, so they may make it a tradition at O.H.S.

I, Ray Anderson, will my key to the photo lab to Mike Dickson so the annual editor can nag at him.

I, Jim Knox, will my ability to play basketball to Tommy Payne.

I, Russell Strawn, will not, because I am taking it all with me.

I, Mary Louis, will all my annual headaches to Sandra Mosby and the sawdust pile adventure to Janet Ekklekamp.

I, Darlene Bevier, will my ability to get along with Bob Featherly to Myrna Morris.

I, Jackie Pittman, will all the letters I didn't get in Girls' sports to Mrs. Baker so she will have enough to pass out to her sophomore class in future years.

We, the senior girls basketball team, will our good sportsmanship and our ability to win the championship for four years, in a row, without a coach, to all who appreciate the finer rules of girls' basketball.

I, Leon Haney, will myself to the Air Force and Uncle Sam for the next four years.

We, Laura Sampson, Joan Bussert, Virginia Bangert, will our office jobs to some unsuspecting juniors.

I, Leta Somerville, will hope that Bruce Wallace gets back for graduation.

I, Lenore Stevens, will one used physics book to any girl who is crazy enough to be the only girl in the physics class.

I, Eloise Orr, will my excellent teachers, and wonderful times, in high school, to the junior class.

I, Marilyn Hodgson, will my Anna Maria Alberghetti voice to Joe Dezellem so that it will harmonize with his trombone.

I, Jack Morgan, will my acting ability to Gerald Alumbaugh.

I, Wayne Odom, will Jerry Rawley my ability to run the mile in hopes that he can do it as good or better than I have.

We, Frank Rohrer and Charles Pittman, will our English seats to any junior who takes it next year.

I, Dexter Flanigan, will my curly hair to Bernice Thomas.

I, Calvin Ebi, will all of Okanogan to anyone who will put up with it as long as I have.

I, Frank Barham, will my ability to kill deer to Steve Gustin.

We, Vada Myers, and Carol Shiflett, will our loud and rowdy ways to Dennis and Gerald in hopes that they can carry on the Class of '57.

I, Bob Wood, will all my football letters to Gerald Fickes.

I, Pat Fritts, will my pony tail, which is home in the shoe box, to Donna Corn.

I, Ray Robertson, will the position I should have had on the all-North Central Washington football team to Allen Townsend who I'm sure will make it next year.

I, Henry Sego, will my seat in Senior English to some poor unsuspecting junior.

I, Doris Ridpath, will not, as I'm taking all of my abilities with me.

In Witness Whereof, we, the Class of 1956, the testators, have set our hand and seal hereto this twenty-fifth day of May in the year of our Lord one thousand nine hundred and fifty-six (1956).

Class of '56 (Seal)

Senior Prophecy

It is said that every age has its scourge. First there were the Romans, then came the Bubonic Plague. This was followed by the Dark Ages. Small pox struck in the 19th century. Hitler unleashed poison gas in the 20th century. The atomic bomb fell on Hiroshima. In 1956 a new manace worse than the plague was unleashed. In Okanogan the Class of '56 graduated. That was 20 years ago and as you read what has happened since, keep in mind the immortal words of Benjamin Franklin, "He who lies down with dogs rises up with fleas."

CALVIN EBI, who made the disclosure that the chicken most definitely preceeded the egg, is now giving lessons in rhythm and blues at Fort Lewis.

BOB JONES, who was the 1958 Prince Malott, is counting the Siamese cats that cross the bridge at Avignon in France. So far, he hasn't seen a one.

ROBERTA JONES is president of the Society for Prevention of Cruelty to Imbicilic Mongolian Idiots. Her headquarters are at Omak.

RONNY STATLER, who was a spy for the FBI, is scheduled to get the hot sear tomorrow morning. When asked how he felt he replied, "No sweat."

JAY BRYANT has risen to the head of a large banking concern, otherwise known as Jesse James Gang.

DORIS RIDPATH is married to Emil Zatopek, the Hungarian track star. Recently they have been touring Yugoslavia selling gold plated pencils to kindergarden graduates.

DARLENE BEVIER is filthy rich. She has so much money she doesn't know what to do with it. It is reported that she is selling \$50 bills as Kleenex and offering double your money back if not satisfied.

WAYNE ODOM is also doing nicely. He has set up a combination tea room and bowling alley up on Jackass Butte, and is really packing 'em in.

It is with sincerred regret that we report that JACQUELINE SCHMITZ was atomized last week. She was hitch hiking her way across Yucca Flats when they tested a couple of hydrogen bombs.

MARY LOUIS is rewriting the movie "Blackboard Jungle." She thinks the teachers got a raw deal.
